If the Examiner applies any of the documents as prior art against any claim in the application and applicant determines that the cited documents do not constitute "prior art" under United States law, applicant reserves the right to present to the Office the relevant facts and law regarding the appropriate status of such documents.

Applicant further reserves the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

Applicant does not believe that any fee is due connection with the filing of this Statement. However, if any fee is due, or overpayment made, the Commissioner is authorized to charge any such fee, or credit any overpayment, to our Deposit Account No. 02-4377.
